

SYNARION ACADEMY

Learn, Grow, & Lead India Towards

आत्मनिर्भर भारत

*"India's youth, digitally skilled today,
will lead us to a Viksit Bharat by 2047."*

— Narendra Modi

About Synarion Academy

At Synarion Academy, we believe every student in India deserves an equal opportunity to turn their education into a successful career.

We exist to **change that.**

Yet, many graduates still struggle to find the right path because of:

- ✓ Limited practical industry exposure
- ✓ Lack of proper career guidance & mentorship
- ✓ Little awareness of skill-based opportunities & programs
- ✓ Fear of interviews and low confidence despite knowledge

Synarion Academy is more than just a training institute
— it's a complete career transformation ecosystem.

From hands-on skill training & interview preparation to mentorship & real placement connections, we guide every learner step-by-step until they are confident, capable, & career-ready.

India's Digital Economy The Big Opportunity

India is one of the **fastest-growing digital economies** in the world – and this transformation is unlocking millions of job opportunities.

Metric	Data (2024–25)	Source
Digital Economy Share of GDP	Estimated at 13.42% of national income (₹35.7 lakh crore / \$450 billion)	MeitY, Govt. of India
Employment in Digital Economy	Tech sector workforce projected to reach 5.8 million by FY25; overall digital economy employment data for FY26 not specified	NASSCOM
Productivity	Digital economy sectors remain approximately 5 times more productive than non-digital sectors	World Bank
Expected Growth by 2030	Digital economy expected to contribute 20% of national GVA, surpassing manufacturing	NITI Aayog
Key Skills in Demand	AI, Cloud Computing, Data Science, Cybersecurity, DevOps, Full-stack Development, Blockchain, Robotics	India Skills Report 2025

Why It Matters for You

Learn Skills
That Build Careers!

- ✔ Digital skills = job security & higher pay
- ✔ Tech-driven roles are growing 2x faster than traditional ones
- ✔ Remote & hybrid jobs are now widely available
- ✔ Digital professionals earn up to 60% more on average

Our Mission & Vision

Mission

To empower students and professionals with modern digital skills, career guidance, & real-world experience, contributing to a stronger Digital India & आत्मनिर्भर भारत.

Vision

To build India's most trusted career transformation platform — helping every learner go from uncertainty to confidence, from learning to earning.

Our Courses

Each course includes hands-on industrial training, real projects, and mentor guidance — preparing you for actual job roles.

Technical Courses

- ◆ Full Stack Web Development
- ◆ Android & iOS App Development
- ◆ Data Science & Analytics
- ◆ Cloud Computing
- ◆ UI/UX Design
- ◆ Cybersecurity & Ethical Hacking

Professional Upgrade Courses

- ◆ Digital Marketing & SEO
- ◆ QA Testing & Software Automation
- ◆ Project Management Tools

Learning Modes

We provide flexible learning options to fit every lifestyle:

Offline Classroom Training

(at our Jaipur center)

Online Live Sessions

(attend from anywhere in India)

Smart Hybrid Learning

(combine online + offline sessions)

Each student receives:

- ✓ 1:1 mentor interaction
- ✓ Interview readiness sessions
- ✓ Weekly workshops & doubt-clearing
- ✓ Industry project assignments

Interview & Placement Assistance

At Synarion Academy, your career journey doesn't end after training — it begins there.

We offer:

- ✓ Resume writing & LinkedIn profile setup
- ✓ Soft skills & communication workshops
- ✓ Mock technical & HR interviews
- ✓ Dedicated career roadmap for 2–3 years
- ✓ Real placement opportunities through 20+ hiring & placement agencies across India

We ensure that every learner gets complete job support and real placement opportunities in companies matching their skills.

Our Approach

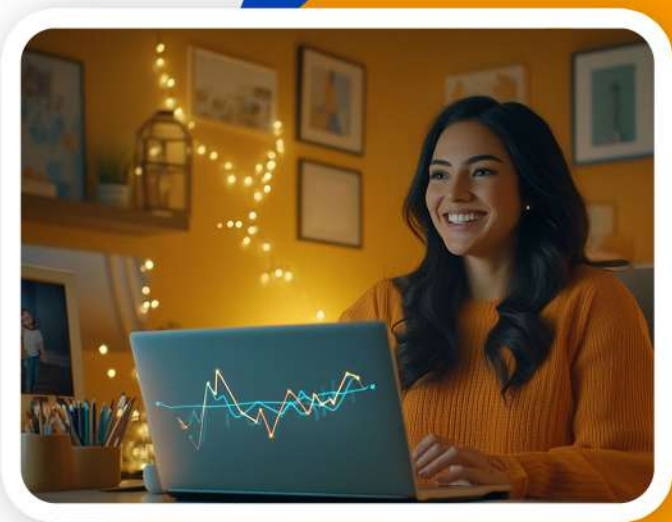

At Synarion Academy, we bridge the gap between learning and employability through practical training, expert mentorship, and real-world exposure.

Focus Area	Our Solution
Lack of real-world skills	Industry-based live projects
Unclear career path	Personalized mentorship & roadmap
Interview fear	Mock interviews & HR guidance
Awareness gap	Updates on Govt. & private programs
Skill mismatch	Latest tech curriculum (AI, Cloud, etc.)

Student Success & Growth

Every student story reflects effort, learning, and growth & we are proud to be part of their professional journey.

- ✓ Learners gain practical skills and industry-ready knowledge that help them confidently enter the workforce.
- ✓ Working professionals upskill to advance in their careers or transition into emerging tech roles.
- ✓ Our students build portfolios, solve real projects, and gain confidence to face interviews and workplace challenges.

Government Initiatives We Support

We take inspiration from India’s national vision of a digitally skilled and self-reliant nation.

Driven by the government’s focus on technology and innovation, we align our efforts with the same purpose — empowering youth to build meaningful digital careers.

Key national initiatives include:

- ◆ Digital India Mission – Empowering every citizen with digital capability
- ◆ Skill India– Strengthening the nation through skill development
- ◆ Start-Up India – Fostering innovation, entrepreneurship & digital startups
- ◆ State Skill Missions – Enhancing employability and industry readiness at local levels

At **Synarion Academy**, we share the same spirit — helping students transform these national missions into real opportunities through industry-led training, mentorship, and career guidance.

Why Choose Synarion Academy

What We Offer	How It Helps You
Hands-on Projects	Gain real experience and confidence by working on practical tasks
Latest Technologies	Learn in-demand skills like AI, Cloud, Web, App & Data technologies
Expert Mentors	Get step-by-step guidance from industry professionals
