- ✓ Soft skill & communication focus.

Outcome: Students gain applied knowledge, real-world understanding, and pre-professional experience.

6-Month Professional Program

- ✓ Advanced concept implementation.
- ✓ Real-time project experience.
- ✓ Professional development activities.
- ✓ Personalized guidance & review.
- ✓ Confidence for real-world roles.

Outcome: Graduates emerge as job-ready professionals with extraordinary skills, industry exposure, and strong practical understanding..

Course Curriculum (20+ Job-Ready Modules)

1. Introduction to Flutter & Dart Programming

Learn the basics of Flutter framework and Dart language for cross-platform app development.

2. Flutter SDK & Development Environment Setup

Set up Flutter SDK, IDEs, and tools for a smooth development workflow.

3. Dart Basics (Syntax, Functions, OOP)

Understand Dart syntax, variables, functions, and object-oriented programming concepts.

4. Flutter Widgets (Stateless & Stateful)

Explore core Flutter widgets and understand the difference between stateless and stateful widgets.

5. Layouts, Navigation & Routing

Design responsive UIs and implement navigation between screens.

6. State Management (Provider, Riverpod, Bloc)

Manage app state efficiently using popular state management solutions.

7. Forms & User Input Handling

Handle user inputs and validate forms effectively.

8. API Integration & JSON Parsing

Fetch, parse, and display data from REST APIs.

9. Firebase Integration (Auth, Firestore, Storage)

Integrate Firebase services for authentication, database, and storage.

10. SQLite & Local Database Handling

Store and manage data locally using SQLite.

11. Push Notifications (Firebase Cloud Messaging)

Implement push notifications to engage users.

12. Authentication & Authorization (Email, Social Login)

Secure your app with user authentication and social login options.

13. Animations & Gesture Handling

Add animations and interactive gestures to enhance user experience.

14. Custom Widgets & Theming

Create reusable custom widgets and apply consistent app theming.

15. Media Handling (Camera, Audio, Video)

Work with device camera, audio, and video functionalities.

16. Maps & Location-Based Services

Integrate maps and location services in your app.

17. Payment Gateway Integration (Razorpay, Stripe)

Enable secure in-app payments using popular payment gateways.

18. Advanced State Management (Bloc, Redux)

Master complex state management patterns for large apps.

19. Multi-language & Internationalization (i18n)

Make your app multilingual with internationalization support.

20. App Performance Optimization & Debugging

Optimize app performance and debug issues effectively.

21. Unit & Widget Testing

Write tests to ensure app stability and reliability.

22. App Security & Data Protection

Implement security best practices to protect user data.

23. App Store (iOS) & Play Store (Android) Publishing

Prepare and publish your app to iOS and Android stores.

24. Building Progressive Web Apps with Flutter

Convert Flutter apps into Progressive Web Apps (PWA).

25. Platform Flavors & Theming

Configure app environments (dev, staging, production) with consistent light/dark themes for smooth multi-platform deployment.

26. API Integration & Reusable Architecture

Connect apps with scalable APIs and microservices using reusable components and generic functions for optimized, maintainable code.

27. State Management with GetX

Learn efficient app state handling, navigation, and dependency injection using the GetX package.

28. Git & GitHub for Version Control + CI/CD & Freelancing Projects

Learn version control, CI/CD pipelines, and real-world freelance project management.

Placement & Career Support

We don't stop at training — we help you launch your career as a Flutter Developer.

Synarion Academy provides:

- ✓ Resume & LinkedIn/GitHub portfolio setup
- ✓ Communication & presentation training
- ✓ Mock HR & technical interviews
- ✓ Access to 20+ hiring & placement partners across India

We guide you until you secure your first job or freelance project.
